

ABBOTS

YARDE

the hub of good times in Abbotsford

Our Story

Launched November 2021, Abbots Yard is an outdoor beer garden and communal dining hall with entertainment, catering and event spaces, situated on the corner of Victoria Street and Nicholson St, Abbotsford.

Comprised of multiple converted shipping containers, featuring bars, food service and enclosed seating banks, the venue is designed to compliment the urban aesthetic of North Richmond's bustling multicultural Asian food precinct, with a contemporary edge similar to iconic Melbourne venues like Section 8 and the newly launched Grazeland.

The project is a partnership between some of Melbourne's most experienced and successful live music and hospitality venue operators, supported by the City of Yarra.

We launched in direct response to a need for outdoor dining and venue revitalisation, with a string of successful events and community initiatives, it is now a weekly local venue, suited to public access as well as bookings.
